FACILIT
DATE OF
EVALUAT

Table Model	Serial # / if no # create ID	Pivot Point Wear Level	Torsion Bar Condition? Quantity?	Foot Cap Quantity Needed?	Stoo Cond Quant

We Provide Valuable Feedback

You will receive a detailed evaluation on the condition of your tables upon completion. This evaluation will provide a professional overview of each table's condition thereby allowing you to establish a maintenance plan that addresses the most critical issues within your school's budget. A minimal fee per table will apply.
